

We're here to support you.

Child Psychiatry/Psychology Consult Line

Primary care providers only (not for patients)

The Virginia Mental Health Access Program (VMAP) is a statewide initiative that helps health care providers take better care of children and adolescents with mental health conditions through provider education and increasing access to child psychiatrists, psychologists, social workers, and care navigators.

Call us at:
(888) 371-VMAP(8627)

OR

Request a Consult at:
bit.ly/VMAP-Consult

Our goal is to have a behavioral health provider call you back within 30 minutes!

Our Call Center staff will need the following information:

- Provider details and call back number
- Child information — name, DOB, insurance, zip code
- Reason for the call and relevant background information
- Patients must be 21 years or younger

Common questions include:

- Screening and diagnosis support
- Medication initiation or management
- Follow-up advice

Consult Line Hours:

Monday - Friday
9:00a.m. - 5:00p.m.

Register for consult line at www.vmap.org.

Registration not required for first call.

VMAP also offers care navigation services and pediatric mental health education and training opportunities for Virginia PCPs.
