

Managing Anxiety in College-Aged Youth

Please join the Virginia Mental Health Access Program (VMAP) and the State Council of Higher Education for Virginia (SCHEV) for a [FREE](#) Webinar on Anxiety

ABOUT THE WEBINAR

This course will improve the participant's ability to diagnose and treat adolescents and young adults with anxiety disorders. In addition to addressing treatment of the primary disorder, it will also focus on management of common symptoms of uncontrolled anxiety. A special focus will be placed on anxiety which is comorbid with ADHD, and determination of the primary diagnosis to guide treatment decisions. Participants will be provided with tools that will allow you to track the progress of treatment over time.

DATE: May 25, 2022

TIME: 8:00 - 9:30 AM

WHO: On-campus health providers

WHERE: Zoom (VIRTUAL)

Continuing education credits will be posted on www.vmap.org/schev-webinar when available.

REGISTER!

MEET THE FACULTY

Amy Kryder, MD is a General Pediatrician with 14 years of primary care experience. She routinely cares for adolescents with mental health care needs as part of her practice. She is a graduate of University of Maryland School of Medicine

and did her residency at University of Maryland Medical System. She is an Associate Professor at Virginia Tech Carilion School of Medicine. Dr. Kryder is also the lead for VMAP's REACH PPP program, an intensive and dynamic training for primary care providers designed to build skills and confidence in diagnosing and treating pediatric behavioral health problems.

Peter Dozier, MD is one of VMAP's eastern region Child and Adolescent Psychiatrists. Dr. Dozier is the Medical Director of psychiatry and psychology for Children's Hospital of the King's

Daughters Mental Health Program. Dr. Dozier completed a pediatric internship at CHKD, and then completed his fellowship and was chief resident in child psychiatry at Johns Hopkins Hospital. He returned to CHKD in 2008, where he opened the division of child psychiatry and psychology. In addition to his role at CHKD, and as a VMAP CAP, Dr. Dozier is a member of the VMAP REACH faculty.
