

**VMAP**

**Virginia Mental Health  
Access Program**

**The Virginia Mental Health Access Program (VMAP) is a statewide initiative that helps health care providers take better care of children and adolescents with mental health conditions through provider education and increasing access to child psychiatrists, psychologists, social workers, and care navigators.**

**EXPANDING THE  
WORKFORCE**

By providing tools and training to:

- ✓ Pediatricians
- ✓ Family Medicine Physicians
- ✓ Nurse Practitioners
- ✓ PAs

**INTERACTIVE  
EDUCATION**

Utilizing training tools such as Project ECHO + REACH

**REGIONAL  
CONSULTATION**

Access to consultation with child psychiatrists, psychologists, and/or social workers

**COMMUNITY SUPPORT**

Access to care navigation services to support with resource and referral needs

**[VMAP.org](http://VMAP.org) • [info@VMAP.org](mailto:info@VMAP.org)**

*Child Psychiatry/Psychology Consult Line  
for primary care providers:*

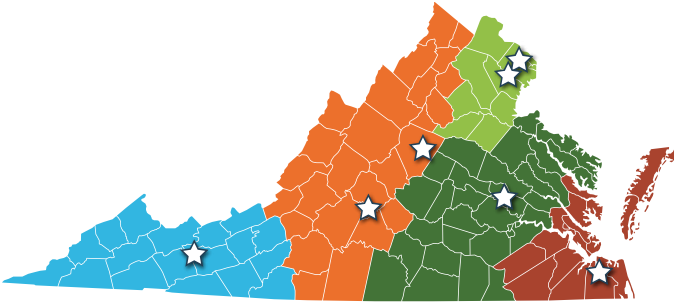

**888-371-VMAP (8627)**
