

Continuing Education Opportunity in Pediatric Mental Health!

REACH Patient-Centered Mental Health in Pediatric Primary Care (PPP)

Are you a Virginia PCP looking to gain professional education in pediatric mental health? Join us for a REACH PPP!

What to Expect with REACH PPP

- A dynamic 3-day, 16-hour **interactive course** led by expert Virginia faculty and focused on building skills in diagnosing and treating pediatric mental health problems - only cost is a \$100 registration fee!
- Followed by a 6-month, case-based **online program**. Participants join 12 bi-monthly, 1-hour group calls to learn how to manage pediatric mental health issues encountered in daily practice.
- All participants receive **custom-designed toolkits** with guides, assessment instruments, dosing and side effect charts, medication comparison tables, and handouts for patients and parents.

**Earn up to 28.25 CME,
16.25 MOC 2, & 25 MOC 4**

Course Goals

Participants will learn to:

- ✓ **Correctly identify pediatric mental health problems** such as childhood depression, ADHD, bipolar disorder, anxiety states (including PTSD), oppositional and conduct disorders, and psychosis.
- ✓ **Effectively manage psychopharmacology:** selecting medications, initiating and tapering dosages, monitoring improvements, and identifying and minimizing medication side effects.
- ✓ **Create and implement a treatment plan** by mobilizing existing resources like family members, school personnel, and other professional caregivers.

VMAP offers this training program developed by The REACH Institute (www.TheREACHInstitute.org) adapted for Virginia primary care providers.

**Multiple REACH courses are offered each year
with in-person and virtual options.**
